Re: *Dickerson v. Dickerson et al*  
Case No. 1:23-cv-03859

Dear Judge Komitee:

I am writing to you in response to Robert L. Dickerson's outrageous letter dated June 25, 2023.

I do not take lightly writing this letter to you, as I am conscious of Your Honor's busy schedule. However, Robert L. Dickerson's letter not only contains knowingly-false information and misrepresentations, it is at this point purely defamatory.

I have not "kidnaped [sic]" Brandon Dickerson, nor have I done or said anything that could *possibly* cause Robert L. Dickerson to "fear for [his] life" or to think that I want to "end [his] life."

What I did do on June 26, 2023 was to approve the discharge of Brandon Dickerson from North Shore LIJ Hospital, where Brandon Dickerson had been staying for the past approximately 2 months (in connection with a necessary medical procedure), to Queens Nassau Rehabilitation & Nursing Center,<sup>1</sup> a "Traumatic Brain Injury (TBI)-certified" facility.

The decision to transfer Brandon Dickerson to Queens Nassau Rehabilitation was based on the availability of facilities willing to accept Brandon Dickerson, as reported to me by the hospital's

---

<sup>1</sup> This is the very facility to which Robert L. Dickerson himself had (prior to my appointment) transferred Brandon Dickerson from Louisiana because of that facility's TBI program, and where Brandon Dickerson stayed for approximately 12 months until he was transferred to the hospital this past April for a necessary medical procedure.

discharge planner. Furthermore, the attached court order required me to use every effort to identify a TBI-certified facility (which Queens Nassau Rehabilitation is).

Perhaps more importantly, Robert L. Dickerson is well-aware of all of the facts leading up to Brandon Dickerson's discharge from the hospital to Queens Nassau Rehabilitation -- in part because the two long-term care facilities that Robert L. Dickerson had selected (*and which facilities were contacted by the hospital's discharge planner, at my request out of respect to Robert L. Dickerson wishes*) ultimately declined to accept Brandon Dickerson. See a copy of the attached email from the hospital's discharge planner concerning one of the facilities, and which email I had forwarded to Robert L. Dickerson.

I understand that Robert L. Dickerson is upset that I was appointed as temporary guardian, and that (for idiosyncratic reasons) he did not want Brandon Dickerson to return to Queens Nassau Rehabilitation.

But with his letter to Your Honor, Robert L. Dickerson has crossed a line by making willful misrepresentations and defamatory accusations, and I respectfully ask Your Honor to view Robert L. Dickerson's letter in that light.

Respectfully submitted,

/s/ Abraham S. Mazloumi

Hi Abraham,

At your request, I send a referral to Brookside Multicare Nursing Center. I received a call from Jennifer Asciolla at admissions who informed me that unfortunately they cannot accept Brandon.
